

Commercial Transportation Inc.

Corporate Environmental Policy

Commercial Transportation Corporation's management and employees are totally committed to the protection and the preservation of the environment. We will conduct our business in a manner that preserves, protects and enhances the environment.

Our commitment to the environment based on the following principles:

- **We must recognize the potential impact of our operations on the environment.**
- **In conducting our operations we must strictly adhere to all applicable laws and regulations.**
- **We must strictly comply with established policies and operating standards that will ensure the best protection of the environment.**
- **We must respond in a timely and effective manner to any environmental incident.**
- **Through strategic planning we will minimize the environmental effects of new operations and aim to include environmental considerations in future investment decisions.**
- **Waste products will be disposed of using only approved procedures.**
- **Employee involvement in environmental matters is encouraged at all levels and will be promoted through training, communications and a constant reappraisal of our methods and techniques.**
- **Commercial Transportation is committed to the implementation of this policy and will give full backing to all those authorized to carry it out.**
